**Moisson Estrie:** The food bank thanks Plymouth-Trinity for making a difference and reminds us cash is as appreciated as food. Our treasurers will credit all donations clearly marked “Moisson Estrie”.

**We are currently in need of volunteer(s)** to deliver our donations to the food bank every 4-6 weeks. If you have a car and know where *Moisson Estrie* is situated on Daniel St. in the west ward, please speak to Inge or Vivienne. If you’ve never been to the food bank, here’s your chance to learn about this important community organisation which provides assistance to more than 60 families per day!

# *Dear Friends in Christ,*

*You are the salt of the earth.  
You are the light of the world.  
(Matthew 5)*

Thank you for all you do to live out Jesus' teachings of abundance. What an amazing version of the salt and light story the people of the United Church of Canada tell with our lives! God's compassionate, hope-fulfilling, community-strengthening presence is made real by our generosity. Today, I am especially thankful for your generosity for Mission & Service in 2016. I am grateful to the people of Sherbrooke: Plymouth-Trinity Pastoral Charge for giving \$14,442 for Mission & Service. Together we gave \$25,322,586 in 2016 for Mission & Service.

Mission & service giving means that families needing food and care are welcomed and fed, people who are sick in hospital are visited and accompanied, people needing justice declare their call for rights with a supportive community, and people needing housing find shelter and security. It also means that students receive bursaries for their journey to becoming ministers, churches testing innovative ministry ideas get funding and coaching, people from the margins find a welcome and a home in our church, and searchers find spaces of belonging.

We make these great things happen through Mission & Service and through the ministry of our local church. Thank you for generous giving for Mission & Service that changes the world. You are the salt-seasoning that brings out the God-flavours of this earth. You are God's light-bearers that bring out God's colours. On behalf of our neighbours whose lives are changed, thank you.

Blessings,

*Cheryl Curtis*

# A Word of Appreciation

It is 1:30 in the morning and I could not restrain myself from thinking of today's experience, and how it inspired me. I sat down and wrote what was in my heart.

**They are not of the world, even as I am not of it. John 17:16**

I have the certitude that this community is living God's plan. We are all children of God. Looking at the audience last Sunday, I saw beauty in this community. As I mentioned last Sunday, diversity is at every level in this church as far as: generations, languages, socioeconomic, and cultural backgrounds. All these parameters that could have rational reason to divide us and set us apart, and yet we were here sitting next to each other. The world we live in is changing. It can be hard to understand these shifting paradigms.

Today, our Plymouth-Trinity Community is also facing changes, and I would not deny that it could be stressful for some of you. Changes are often difficult because they force us to adjust to new conditions. I have experienced myself a great deal of changed in my life for quite some years now. However, I realized that changes could also bring positive outcomes in our life.

Witnessing your diversity brought joys to my heart, because we, together, represents the diverse and complex characteristic of God's creations and God's itself. As we see a world that seems to be increasingly far from the core message of Christ, it is our responsibility not to give up on our principles, and thrives on God's words. In John 16:33, Jesus said:

**"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."**

I will pray that we can represent this Christian alternative to the world, that we can embrace God's love toward each other, and face these challenges with wisdom rather than fear. Moreover, that we can understand that we have not only an opportunity but also an advantage in this world because we can transfigure these differences and see God's love in everyone one of us.
